## Paving Scheduled for Monday, March 12, 2007

Be advised that Granite Construction Company will be paving the northeast quadrant of the Broadway Boulevard at Harrison Road intersection. The paving will begin at 7:00am on Harrison Road. Driveways will be affected for no more than 15 minutes along the east side of Harrison Road. Access to the shopping center will be maintained at all times along Broadway Boulevard during this time until the paving on Harrison Road is completed. Flagman will assist in getting customers into and out of the shopping center during this time.

Paving of the north side of Broadway Boulevard will begin more or less around 12:00 noon and continue until completed. Driveways will be affected for no more than 15 minutes at a time. Access to the shopping center will be maintained on Harrison Road while Broadway Boulevard is being paved. Flagman will assist in getting customers into and out of the shopping center during this time.

## Traffic Switch on Tuesday, March 13, 2007

Traffic will be switched to the north side of Broadway Boulevard and the east side of Harrison Road on Tuesday, March 13, 2007 to allow the southeast quadrant to be constructed. This quadrant, along with the west side of Harrison Road, north of Broadway Boulevard, is expected to be paved the second week of April 2007. Access will be maintained at all times to the affected businesses.
